Free Fruit Day

Saturday 10th October
10am until 3pm or when the fruit runs out!

Stall on Reigate High Street
(near The Market Stores and Caffè Nero)

Bring a bag to receive a random act of kindness of the fruity kind. The bounty for the stall will all be from local fruit and nut trees, with zero associated 'air miles'.

As well as fruit gathered before the event, you are invited to bring your unwanted fruit to the stall during the morning.
